### **CALIFORNIA PUBLIC REQUEST ACT OF JANUARY 15, 2019**

This office received your request dated January 15, 2019, for public records pursuant to the Public Records Act ("Act") (Gov. Code 6250, et seq), on the same date.

The City determined it possesses certain identifiable records that fall within the scope of your request. The city is in the process of reviewing those records manually and thus our timeline has been extended. We can expedite your request by moving your request dates from June 15, 2015 to your end date of request. We can provide your full request but will need an additional thirty (30) business days to respond. If you still would like the full request a responsive date would be June 13, 2019.
